Business Prospect - 1st Connection

"_____ do you have a quick minute that I can call you? I want to run an idea by you!"

If they say YES, call them:

A couple months ago I found out about a cross border e-commerce start up. The company is making waves in the global/digital space...I believe this will be a multi billion dollar company. Now, I know you are successful already and likely may not be looking for something different. However, would you be open to watching a quick overview and even just pointing me in the right direction. The company pays 20-30% referral commissions!!
